

It's a Good Sound Common Sense Policy

To use medicines only of KNOWN COMPOSITION, and which contain neither alcohol nor habit-forming drugs. It is foolish—often dangerous to do otherwise. The most intelligent people, and many of the most successful, conscientious physicians, follow this judicious course of action. The leading medical authorities, of all schools of medicine, endorse the ingredients composing Dr. Pierce's medicines. These are plainly printed on wrappers and attested under oath. There's no secrecy; an open publicity, square-deal policy is followed by the makers.

Dr. Pierce's Favorite Prescription

THE ONE REMEDY for woman's ailments, sold by druggists, devised and gotten up by a regularly graduated physician of vast experience in treating woman's peculiar diseases and carefully adapted to work in harmony with her delicate organization, by an experienced and skilled specialist in her maladies.

THE ONE REMEDY for woman's ailments, sold by druggists, which contains neither alcohol (which to most women is the rankest poison) or other injurious or habit-forming drugs.

THE ONE REMEDY for women, the composition of which is so perfect and good that its makers are not afraid to print its every ingredient, in plain English on its outside bottle-wrapper, and attest the correctness of the same under oath.

We have a profound desire to avoid all offense to the most delicate sensitiveness of modest women, for whom we entertain the most sincere respect and admiration. We shall not, therefore, particularize here concerning the symptoms and peculiar ailments incident to the sex for which Dr. Pierce's Favorite Prescription has for more than 40 years proven such a boon. We cannot, however, do a better service to the afflicted of the gentler sex than to refer them to Dr. Pierce's Common Sense Medical Adviser, a great family doctor book of 1000 pages, bound in cloth and given away gratis, or sent, post-paid, on receipt of 31 one-cent stamps—to cover cost of mailing only. All the delicate ailments and matters about which every woman, whether young or old, single or married, should know, but which their sense of delicacy makes them hesitate to ask even the family physician about, are made plain in this great book. Write for it.

A Reasonable Plea For the Stomach

If Your Stomach Is Lacking in Digestive Power, Why Not Help the Stomach Do Its Work—Especially When It Costs Nothing to Do So?

Not with drugs, but with a reinforcement of digestive agents, such as are naturally at work in the stomach. Scientific analysis shows that digestion requires gastric juice, hydrochloric acid, and the secretion of hydrochloric acid. When your food fails to digest, it is proof positive that some of these elements are lacking in your digestive apparatus.

Stuart's Dyspepsia Tablets contain natural elements necessary to digestion and when placed at work in the weak stomach and small intestine, supply what these organs need. They stimulate the gastric glands and gradually bring the digestive organs back to their normal condition.

Stuart's Dyspepsia Tablets have been subjected to critical chemical tests at some of the best laboratories and found to contain nothing but natural digestives.

London, 9th Aug. 1905.

I have analyzed most carefully a box of Stuart's Dyspepsia Tablets (which I bought myself at a city chemist's shop for the purpose), and find that they are of the highest quality, manufactured by the Stuart's Dyspepsia Tablets Co., Ltd., London, E. C., and have to report that I cannot find any trace of vegetable or mineral poisons. Knowing the ingredients of the tablets, I am of opinion that they are admirably adapted for the purpose for which they are intended.

Signed: John R. Brooke, F. I. C., F. C. S.

There is no secret in the preparation of Stuart's Dyspepsia Tablets. Their composition is commonly known among physicians, as is shown by the recommendations of 46,000 licensed physicians in the United States and Canada. They are the most popular of all remedies for indigestion, dyspepsia, water brash, insomnia, loss of appetite, melancholia, constipation, dizziness, and kindred diseases originating from improper digestion and assimilation of food. They are a powerful remedy, one grain of these tablets being as strong as a pound of food. They are a true food for you when your stomach can't.

Ask your druggist for a fifty-cent box or send to us direct for a free trial sample of the tablets. You will be surprised at the result. F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

ONE MILLION DOLLARS FOR A GOOD STOMACH

This Offer Should Be a Warning to Every Man and Woman.

The newspapers and medical journals recently have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach. This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable.

His misfortune serves as a warning to others.

Every one who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

Dyspepsia is commonly caused by an abnormal state of the gastric juices, or by lack of tone in the walls of the stomach. The result is that the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help to restore to the gastric juices their digestive power, and to aid in making the stomach strong and well.

We know that Rexall's Dyspepsia Tablets are a most dependable remedy for disordered stomachs, indigestion, and dyspepsia.

We want you to try them and will return your money if you are not more than satisfied with the result.

Three sizes, 25 cents, 50 cents, and \$1.00. The 25-cent size can be obtained at all drug stores. The 50-cent and \$1.00 sizes are sold only at our store—The Rexall Store, 237 San Antonio St.

BACK TO SWEET SIXTEEN

Ladies Will Find The Following Experience of Mrs. Blair Full Of Interest

Pollock, La.—"For months," says Mrs. T. S. Blair, of this place, "my health was very bad on account of womanly troubles. The doctor's medicine did me no good."

I was very weak and nervous, and some days, I could not be up.

I asked my husband to get me a bottle of Cardui to try, and before I had taken one bottle I was up and doing my work. Before I commenced to take Cardui, I had such spells I was not able to do anything. Now I have taken only 3 bottles of Cardui in all, and I feel fine.

A few months ago, I weighed 135 pounds. Now I weigh 158, and I do all my own work—cook, wash and milk—and feel like I did when I was 'sweet 16.' Taking Cardui has cured me."

If every sick and ailing woman would only take Cardui, the woman's tonic, as Mrs. Blair did, womanly troubles would not be so wide-spread as they are now. For the curative value of this well-known remedy, in all such cases, has been proven by its more than 50 years of genuine success.

If you are a woman, try Cardui. You will appreciate its tonic, building effect on the womanly constitution. Begin today.

PLUMP FOLKS AND THIN FOLKS

Samson Will Make People Fat—Money Back If It Doesn't.

The line of beauty is a curve. Women may be thin and graceful, but not thin and beautiful. There is a vast number of pale, thin, scrawny people who are all brains and nerves, but without the strength and health that Samson's Food gives. Good flesh and perfect health go together. A true flesh-forming food like Samson's is absolutely necessary to many people.

This remarkable discovery comes in tablet form and when taken after meals mingles with the food and helps it to assimilate so that it makes rich blood and pleasing plumpness.

Scott, White & Co. have so much confidence in this remarkable flesh-forming food and health restorer that they are willing and glad to allow any customer to deposit a box of Samson's Food with them, and if it does not give a marked increase in good firm flesh the money will be returned without any questions.

Whiskey or Beer Habit

ORRINE is the standard remedy and is everywhere recognized as the most successful and reliable home treatment for the "Drink Habit." It is highly praised by thousands of women, because it has restored their loved ones to lives of sobriety and usefulness, and the weekly wages which at one time were spent for "drink" are now used to purchase the necessities of life and the comforts of home. Any wife or mother who wants to save her husband or son from "drink" will be glad to know that she can purchase ORRINE at our store, and if no benefit is obtained after a trial the money will be refunded.

Ask for a free booklet, "Save the Family from 'Drink'." It tells all about ORRINE. Kelly & Pollard, Sheldon Hotel.

The Question

of where to buy Hay, Grain and Feed is satisfactorily settled after you give us a trial. You will find that prices lower than ours mean also a corresponding lower quality.
